Personnel Sensitive, Confidential & Sworn File

**Re: Title VII Civil Rights Act of 1964-Race & Gender Discrimination**

Dear Sheriff

I, Justin Jamel White, deputy sheriff at the Vance County Sheriff's Office, hereby file written complaint pertinent to race and gender discrimination.

On February 20<sup>th</sup>, 2018, I was written up and suspended for 5 days without pay, publicly humiliated by the department, having to walk out of the sheriff's office without a gun and badge and being stripped of my law enforcement credentials. On my way out, I encountered several deputy sheriffs, who saw me after the issuance of corrective action. **I was heavily lied on by Lt. Durwood Campbell (S-7) and no member of management seemed to care.**

Lt. Campbell is a Caucasian male and I am an African American male. Jamie Goss, Caucasian female, called and complained which triggered this entire ordeal despite me being in the performance of my job duties and responsibilities. My main duty is to answer calls, patrol the county, observe and enforce violations of law/county ordinances. It should be noted, On June 5<sup>th</sup>, 2018, Ms. Goss pled guilty. **It is going to be too late to correct someone's action when he or she and innocent third parties are tragically killed as a result of a motorist illegally gross decisions under the wheel.** I am happy to discuss the incidents involving this in the near future.

**I was never given a chance to share my side in reference to providing verbal or written statement in reference to the deceptively egregious allegations by Lt. Durwood Campbell.** Per Sheriff White, Chief Lawrence Bullock and Captain Watkins were directed to get my side of the story before corrective action was issued. **That did not happen.** {It should be noted, this is not the first instance of insubordination with Chief Bullock and Captain Watkins as the Sheriff directed both of them to put me back on Sgt. Roberson's (S-10) shift in December 2017 and January 2018. This is because the shift transfer was not approved by the High Sheriff nor was it submitted to the Chief Deputy for review and submission for approval to the Sheriff. Also, the Sheriff did not delegate authority to Capt. Watkins or Lt. Campbell to transfer staff}. No one talked to me about anything. Out of the blue, I walk in and is suspended over hot lies. It should be noted, Chief Bullock and Capt. Watkins were insubordinate to the Sheriff by not getting my take on the situation. **Based on mere appearance, the County of Vance, NC and Sheriff Office took the white man's word over the black man.** Same is a civil rights violation.

Lt. Campbell cursed, fussed & threatened me in the presence of third parties. The first time, Deputy Poole was present in the patrol room & the second time, Sgt. Alexander & Deputy Poole were present (patrol room). I am happy to discuss the incidents involving this in the near future.

I have direct evidence of both situations and look forward to presenting same. I believe we may be able to rectify this situation administratively. My pay check was docked 911.00 dollars and 28 hours of overtime went down the drain over lies and errors by management. It should be noted. the sheriff's office nor HR will not receive copies of my evidence. If the situation goes to trial in a federal court of competent jurisdiction i.e. EEO and or state court of competent jurisdiction i.e. defamation of character, libel and slander, negligence, then it will be provided during discovery as ordered by the courts.

It should be noted. there is a pattern of discrimination and negligence at the sheriff's office. Upon hire, I begged Lt. Ray Shearin (S-4) for a bullet proof vest for 3 weeks and was only given one after I approached the command staff while they were reading reports in late June 2017 and Captain W.W. Bullock (S-3) ordered him to find me a vest. I responded to emergency calls i.e. burglary in progress. no vest.

From late June 2018 until August 2018, I begged for tires on my patrol vehicle to no avail for nearly 8 weeks. I followed the chain of command, Sgt. Roberson (S-10), Lt. Shearin and former Captain now Chief. L.D. Bullock (S-2) requesting tires. Sgt. Roberson eventually told me to stop asking and go to the sheriff because these people don't do their jobs. As I was going to see the Sheriff, Capt. Bullock asked what's wrong? (After I walked in his office for the third time) and where is your car? He saw the car and went to Lt. Shearin and I got some tires same day despite both of them knowing I needed tires prior to. The metal wires were showing on rear tires.

Last July 2017. Deputy Warren Durham (S-95) heard a bullet ricochet off of his vehicle on Breckenridge Street, near the jail and feared for his life. That was the same night that former Deputy Erik Sheftal (S-29) held a suspect at gun point in the city limits of Henderson by the library. Deputy Durham had previously asked Lt. Shearin for a vest to no avail.

In January 2018, Deputy Al-Wadeii (S-28) was responding to calls without a vest with Lt. Campbell and I questioned him being on the streets without a vest. Lt. Campbell called Lt. Shearin and he came to the sheriff's office and issued him a vest (speedily despite my situation).

It should be noted. Lt. Shearin is a Caucasian male and the parties listed above are minorities. This is a civil rights issues. Also, Lt. Shearin was directed by the High Sheriff to issue me equipment i.e. in September 2018 twice to no avail

While I serve at the pleasure of, I contend these issue do not fit the criteria as they would reasonably violate county and or departmental policy. federal civil rights laws. NC Public Policy Doctrine, NC Tort Law, etc. Also, taking adverse action against someone after reporting the aforementioned is reprisal and or retaliation. How can one write up. suspend and dock pay of the black man but the same alleged offenses are being committed by white deputies? How can one

write up, suspend and dock pay of subordinate but allow other supervisory or managerial deputies to get away with it? How can the subordinate deputy be suspend for insubordination & the chief deputy, captain & lieutenant are not held to the same standard for being insubordinate?

**\*\*\*\*\*SOMETHING IS WRONG WITH THIS PICTURE & NEEDS CORRECTING\*\*\*\*\***

It is to my recommendation that Chief Bullock be issued a corrective action and suspended for 10 days without pay in reference to insubordination by not returning me to Sgt. Roberson's shift and not obtaining statements for the allegations made by Lt. Campbell.

It is to my recommendation that Capt. Watkins receive a lesser sanction as the chief deputy had the overall responsibility as the manager with rank/seniority to ensure my transfer back to Sgt. Roberson's shift and that they met with me about the allegations by Lt. Campbell.

It is to my recommendation that Lt. Shearin be issued corrective action and suspended for 10 days without pay and demoted in reference to failing the issue the protective and necessary law enforcement equipment after being directed to do so by the Sheriff several times.

It is to my recommendation that Lt. Campbell be issued corrective action, suspended for 10 days without pay & demoted for his official misconduct & verbal/written deception pertinent to the write up.

I understand it will be difficult in disciplining members of your command staff but as you said in times past, we have to be fair.

**There were no legitimate non-discriminatory reasons to issue corrective action and authorize adverse action. There are no bona-fide reasons and or business necessity for the abovementioned. Even if responsibility laid with me, then the mixed motive legal theory would apply.**

I look forward in hearing from you and resolving this issue.

Sincerely,

Justin White, M.S., B.S

Good morning,

The purpose of this e-mail is to determine the status of the race and gender discrimination inquiry. It has been approximately three weeks since filing same. Also, I have requested a meeting with you and Argretta not withstanding pertinent parties listed in the unlawful, wrongful and tortious corrective action initiated by Lt. Durwood Campbell as his signature is listed on the aforementioned.

While to the best of your knowledge designated members of your command staff met with me, same is not accurate nor truthful. Let me be clear, I walked into a trap, stripped of my law enforcement credentials and gear, escorted to Ray's vehicle without a gun (someone could have been waiting around the corner to hurt me and I would have been defenseless all because of the deception and discrimination of a white supervisor involving a white female citizen), suspended without pay and transferred shifts (adverse action). Since Lt. Campbell and both shifts sergeants are working today, I can find no reason for all us to meet between today and Friday. Once the dust settles, members of your command staff should be disciplined because of their insubordination, etc.

Sheriff White and Director Johen, we have to do what is right regardless of our constitutional and hired positions. We cannot unfairly treat people but we must embrace our co-workers in the spirit of truth. I look forward to confronting my accusers with factual basis in this administrative issue in order to arrive at an internal conclusion. Please advise the status of the investigation. I look forwarding in hearing from both of you.

Warm Regards,

Justin White, M.S.
